A MESSAGE FROM COACH WHITE

Dear Campers and Parents:

As a basketball coach and as a former basketball player, I realize how important it is to make the right selection of a summer basketball camp. I have attended hundreds of basketball camps and I can assure you that the opportunities offered by GREG WHITE'S BASKETBALL CAMP are second to none.

Our goals are simple, we want to offer you the absolute best basketball learning opportunity possible, a very intense learning experience that is still positive and fun. Our unique and outstanding staff will allow us to accomplish that!

Our camp will stress fundamental skills and allow a variety of competitive opportunities to learn and to help you develop. It is a camp that will place great emphasis on personal qualities that are directly related to success and achievement. I will be present daily and feel very confident that I can help campers improve, regardless of their skill level at this stage of their career. Our entire staff will personify the skills, attitudes and personal qualities we wish to emphasize. THINK BIG!

GENERAL INFORMATION

Low Player to Coach Ratio: Each and every camper will receive individual instruction to ensure maximum learning. The staff will consist of experienced and enthusiastic coaches from college, high school, and junior high levels, as well as outstanding college players.

Conduct: Any serious violation of regulations, such as willful damage to the facility or property and/or other behavior deemed detrimental to the campers, will result in immediate dismissal. There will be no refund of fees upon expulsion or voluntary withdrawal from the camp.

Eligibility: Enrollment is open to campers ages 5-16.

Insurance and Supervision: Campers are under constant supervision. A doctor is on call and hospital facilities are readily accessible. Every precaution will be employed to prevent accidents. In addition, every participant will be covered by a supplemental accident insurance policy. **Parents are invited to observe, but presence is not required.** Campers are supervised at all times.

Greg may be the brightest of all the young assistants that came through UCLA in the 80's & 90's. He has the total package.
